Rebecca stated she would share the document with the Board to determine if it could be utilised at a local level. Rebecca also advised of some changes to the National Board following elections.

### Member's Survey

The response to the survey from our members was low with limited feedback provided. The Management Committee will need to review how we engage with our members and look at a medium to long term engagement strategy. It is important that we look at how to engage our members, what is viable, what our members want and the future direction of ALGWA.

Daphne highlighted that local government is changing and there might be more of a need to go back to basics.

Rebecca advised she had spoken with Sarah, Deputy Director for Advocacy at LGAQ, previously about feedback from our members in relation to legislation. There is support from LGAQ for ALGWA. Rebecca advised she would arrange another meeting with Sarah to continue discussion and also ask if she would be available to attend the strategic planning workshop in January 2018.
